

The Pohutakawa is a modern designer home with a good amount of glazing and a butterfly roof. The design is based around an open plan living, dining and kitchen with a scullery separating the second lounge. Other features include good storage, a separate laundry and the option to have a high sloping ceiling in the main living, making the space feel big. This home is for those that want a standout modern family home.

Floor Area: 238m²
